for me the trick to perfect skin is exfoliation

it has been observed that QS does not cause any obvious damage to the intestinal membranes in tilapia fry when present up to 700 mg/kg in the diet

the linin spray is tricky because I have used it for years and years with success, but lately it has been having a weird after smell to it and makes me waste a good sheet set on my bed

it was the Irish who took centre stage

shortly thereafter his heart rhythm changed to pulseless electrical activity, and cardiopulmonary resuscitation was initiated
