supposedly, his motive derived from a pay cut he'd been given for unsatisfactory work
based on user feedback the best of these are as follows:
this presumes that you are taking them constantly, and if that's the case, you should surely reconsider
this presupposes that you are taking them constantly, and if that's the case, you should surely reconsider

the 200 million cancer drugs fund (cdf) has helped about 55,000 patients so far and recently had its budget expanded by an extra 80 million a year

a net charge of 0.3 million was recognized in the quarter for an increase in the estimated liability for contingent consideration associated with the 2010 acquisition of the smartdose technology

i don't understand who you are but definitely you're going to a famous blogger in case you are not already
